The Evening Herald

IT looks now as if chaos might end soon in country south of the Rio Grande.

TRIBUNE-CITIZEN.

QUEEN CITY

ALBUQUERQUE, NEW MEXICO, TUESDAY, AUGUST 3, 1915.

THE EVENING HERALD.
VOL. 5, NO. 167.

PEACE FOR MEXICO MAIN OBJECT OF CONFERENCE OF MINISTERS

Latin American Countries Asked to Approve Plan to End Strife in War Torn Republic.

MEXICAN AGENTS IN WASHINGTON SURPRISED

Carranza Emissaries Hopeful That United States Will Recognize Chief as President.

By Evening Herald Leased Wire Washington, Aug. 3.—The six South and Central American nations which President Wilson has invited to be represented at the meeting here Thursday to consider plans for restoring peace to Mexico, have formally signified their willingness to join with the United States in the preliminary conferences.

HOWLING GALE ON ONTARIO HOLDS UP SHIPPING

Lake Steamers Sent Back to Port Badly Battered by Heavy Seas; Worst Storm in Twelve Years.

By Evening Herald Leased Wire Toronto, Ont., Aug. 3.—Lake Ontario was whipped today by a howling gale, the worst in twelve years.

The steamer Chippewa, after being out two hours, came back to Toronto with a big hole in her side, battered by heavy seas.

The Garden City, from Toronto to Port Dalhousie, Ont., had eight feet of her upper works washed away after being out a hour.

The Coyuga, having on board a number of recruits for the camp at Niagara, battled four hours with the waves before she could make a landing.

During the night heavy seas washed

the Chippewa overboard from a launch on which he, his wife and three others had started for Whitefish, 28 miles away.

He was drowned. After a night of helpless drifting before the gale, the others were rescued.

They did not attempt to conceal

some misgivings, but are hopeful that Carranza's showing of strength in Mexico will force the conviction that his provisional government demands recognition.

Villa's adherents believe President

Wilson will submit a plan for a provisional government, taking up the constitutional succession where it was broken by the death of President

Madero. Vasquez Tauste, minister of Justice, is in line. Should any faction revolt, they propose an embargo on munitions of war against the revolutionaries, and that the American government support the factions participating in the provisional government. Such a course, they admitted, might necessitate armed intervention.

General Carranza's followers, however, believe he will not yield but will take the ground that he is entitled to recognition.

General Carranza's agency announced that General Hernandez, commanding a Villa force at Chihuahua, had sent emissaries to arrange a surrender of his forces to the Carranza army. It was said he based his surrender on the reported withdrawal of the Madero family from the Villa movement.

Secretary Lansing announced that representations had been made to General Villa against confiscation of property of American and foreign merchants and mining interests in Chihuahua. Villa has replied that there has been no confiscation and that property will be paid for.

VILLA TROOPS ARE
CAUGHT IN A TRAP

Galveston, Texas, Aug. 3.—The Villa column under General Rodolfo Fierros, which recently penetrated Carranza territory as far as Pachuca, virtually was annihilated yesterday between Queretaro and Irapuato, according to a report reaching the constitutionalist consulate here today. The Villa troops were caught between the forces of General Obregon and General Diaz. Fierros, the report said, was endeavoring to return north to join the main Villa army when he was caught in the trap set by the Carranza generals.

DIPLOMATIC NOTES TO
BE PUBLISHED SOON

Washington, Aug. 3.—Time for the publication of Diplomatic Notes from Great Britain and the one from Germany, dealing with the commercial rights of neutral nations in war time, was probably arranged today. The British notes probably will be given out today for publication tomorrow morning and the German note Thursday morning.

Washington, Aug. 3.—Telegraph communication between Vera Cruz and Mexico City has been restored.

Provisions began entering the city yesterday and other train loads are en route.

Other reports from Vera Cruz say that in a battle between Zapata and Carranza troops in the streets of Pachuca on the night of July 30, the Zapata troops were forced to retreat. In another battle on July 29 on the outskirts of Toluca, Carranza losses were small.

CHICAGO MAN KILLS 3;
DIES BY OWN HAND

Chicago, Aug. 3.—George H. Jones, the Maywood garage proprietor who yesterday killed his wife, her brother John Conroy, and her sister Catherine Conroy, and later fired a bullet into his own head, died at a hospital today.

The United States shortly will reply to the British notes, but it is not known what course will be pursued regarding the German note.

the Maywood garage proprietor who

yesterday killed his wife, her brother

John Conroy, and her sister Catherine Conroy, and later fired a bullet

into his own head, died at a hospital today.

These adages have not been substantiated during any other source.

The Armenian population of Ghizil

in the Turkish Vilayet of Adana, also

has been subjected to persecution, according to the reports of the committee.

More than 40,000 persons already are dead and it is feared the Armenians at Monastir and Diarbekir, in Kurdistan, also have been massacred.

Twenty members of the Armenian

social democratic party, Yavasard

says, have been publicly hanged in

regarding the German note.

The Tribune-Citizen, Aug. 3, said

that in a battle between Zapata and

Carranza troops in the streets of Pachuca on the night of July 30, the Zapata troops were forced to retreat.

In another battle on July 29 on the outskirts of Toluca, Carranza losses were small.
